It's hard to believe another summer has come and gone. Back in June many of us enjoyed the National Specialty in Ohio where so many of our NBTC members and their dogs earned honors, not to mention the camaraderie for which we have become so well known. Then there was the New England Circuit, which from all reports was splendid, and at which our own Marg Pough gave us the always delightful opportunity to show under a breeder/judge.

As the Fall approaches, we begin a new season of old favorites, including Saratoga which will be held at a new (and more spacious) venue, but still close to the Downtowner.

Our next meeting will be after judging at the September 24th show in Goshen, CT. It will be the culmination of a full weekend which includes our first Puppy Sweepstakes with judge Amanda Pough on Saturday, September 23rd, also in Goshen. What a great opportunity to get that new puppy out. Fingers crossed for some of that great fall weather New England is famous for!

Please take note of other club (and non-club) activities for you and your Borders in this edition. It's always great to see old friends and make new ones as a result of our common fancy.

Sincerely,
Ellen Redman

Up's and Down's

Trixie earns her SE title

Well, got home from this great weekend (August 12th & 13th) for Earthdog trials sponsored by the GBAEC at the Gardner Fish & Game Club just before 6pm on Sunday and had a wonderful time. The weather couldn't have been better, the turnout great, same for the food - especially the BBQ.

A huge THANK YOU to Nancy S., Gloria, Michelle Mc., Jeanne, Joanne, Kathy, Al, our judges (who did I forget?) and EVERYONE who helped from beginning to end and everywhere in between. THANK YOU, THANK YOU, THANK YOU. It made light work of everything to have so much help. Even today we had help from Michelle & Mark Dougherty who aren't yet members, but pitched right in and had a great time.

So for those of you who don't know - and probably everyone within a 10 mile radius heard me - Trixie finally got that elusive 3rd SE leg to earn her SE title and now has enough points to qualify for a Versatility title. When she got her 2nd leg, she did it with a do-over as she initially wound up in a tree after the rats (that's a whole 'nother story) - well today it was the handler in the trees because I don't think my feet hit the ground after the judge said we Q'd. Nothing has come easy for Trixie and neither did this leg. On Sat., she went in the entrance, then out the false exit, flew around all over the place, tried to pry the liner out of the ground where the rats were, finally went back to the false exit after a lot of persuasion from the judge (way over time by now) and then blew out the trapdoor, and once the dust settled and we got the judge upright, it was obvious that was a no-go in the Q department. sigh....

Sunday, before our run, Michelle Emond looked Trixie right in the eye and told her that she needed to be positive and do everything just like she knew how! Well, guess Trixie was actually listening as she went right in the entrance, flew out the false exit overland to the rats trying again to pry out the liner, the judge shoed her away (AND Trixie actually listened), right back in the false exit, worked the entire time, came on recall out the false exit. I put on the after burners for a stunning catch (not near as

good as Cyrille's though) and back to the entrance at which point the judge said YES - Q. Wahoo. Thank you Michelle!!!! It was two years ago to the day at the same trial that Trixie earned her 1st SE leg, so it's been awhile getting to this point (seems so much longer).

I am soooooo proud of her. Who would have thought that Trixie would come so far? Boy o boy. So she got her Q ribbon, a new title ribbon, a clock from the NBTC, one of the dowels she chewed and a toy that got an immediate squeakerectomy and after we arrived home, a complete disemboweling. She was one happy tired dog. She and Banjo also got BBQ chicken, hamburger and lots of swimming - well, not Banjo as he hates to get his feet wet.

Thank you to all who put up with me. I sort of went over the top, but I was just so happy for Trixie. Wahoooooooo. -- Carol Soeldner
Trixie - Dugmore's Teachers Pet, SE, NJC, CG, CGC. Therapy Dog, (and soon to be V)
Banjo - Sunkist Kissen' Run, CGC

PS - Banjo had a great weekend, but he has no interest in rats at all - so he did all the heavy looking on and cheering. He's just 21 1/2 months old and still quite the puppy - so next year....

New Canadian Champion & JAM

Free Ticket to Westminster

A breeder named Patti receives a free ticket to the Westminster Dog Show from the premium dog food Company. Unfortunately, when Patti arrives at the Garden she discovers the seat is in the last row in the corner of the Garden-- she is closer to the Expenses than the rings. About halfway through the first group, Patti notices an empty seat 3 rows from the ring gates, in plain view of the examining table.

She decides to take a chance and makes her way through the celebrities, owners and big time breeders and around the security guards to the empty seat. As she sits down, she asks the woman sitting next to her, "Excuse me, is anyone sitting here?" The woman says no.

Now, very excited to be in such a great seat for the most important dog show in the dog world, Patti again inquires of the woman next to her "This is incredible! Who in their right mind would have a seat like this at the Garden and not use it?"

The woman replies, "Well, actually, the seat belongs to me. I was supposed to come with my husband, but he passed away. This is the first Westminster Show here at the Garden we haven't been to together since we got married in 1967."

"Well, that's really sad," says Patti, "I'm sorry for your loss. But still, couldn't you find someone to take the seat? A relative or a close friend?"

"No," the woman replies, "they are all at the funeral."
